"PARLEY'S COOK SERVES UP A WINNER AGAINST BALTI"

PARLEY SPORTS 4 BALTI SPORTS 3

Parley scored 4 goals at home for the 2nd week running but this time their 4th proved to be the winner in this 7-goal thriller in East Dorset. Credit goes to the backroom staff for getting the game on as they were amply repaid by their team who came from 3-1 down to secure the win and the points in the 2nd minute of injury time. Parley started the game well and created several openings with Mike La Ronde and Josh Moody missing great chances. On 15 minutes, Matt Newberry hit the post with a direct free kick, however the visitors grew into the game and were awarded a penalty in the 27th minute that was duly dispatched by Ricky Lane who sent home keeper Brad Kendrick the wrong way. 6 minutes later and Balti doubled their lead through Dan Andrews doubles fine half volley at the far post. Parley continued to press and were rewarded for their 1st half efforts right on half time when Mike La Ronde pulled one back when heading home a Tommy Freeman cross from 15 yards, HT 1-2. Into the 2nd half and both sides continued to contribute to an excellent game, the visitors further increased their lead on the hour mark when Phil Anderson clipped home from a free kick to restore Balti's 2 goal lead. Minuets later and Parley started their fightback when Freemans pass found La Ronde who played the ball out wide to newly introduced Jack Voisey. His cross found Ben Bosley unmarked at the far post who then calmly chipped the ball over the keeper and into the net. Parley's tails were now up, and they got their deserved equaliser with 10 minutes to go when Jack Voisey rounded the Balti keeper to score and restore parity. Both sides continued to press and 2 minutes into injury time, Parleys Moody and Newbery combined to get a cross into the box with the ball falling to Jonny Cook who smashed home to complete an excellent come back from the yellows.

"HAMMERS MOVE INTO 4TH AFTER BEATING THE BEES"

HAMWORTHY UTD RES 3 BRIDPORT RES 0

Hamworthy Utd were expecting a decent crowd at the County Ground due to many other local games being called off due to the conditions. Once again Hamworthy were at full strength with everyone available for selection and with Bridports first team game being called off, they also had the pick of the bunch. The game began at a slow tempo with Hamworthy having majority of the ball, Bridport opted to sit back whilst looking for the quick ball forward on the counter. The first 15 minutes was played in the centre of the pitch as Hamworthy tried to find a pass behind Bridports back line but to no avail, Bridports forwards were lively and willing to chase every ball and apply pressure on the Hammers defence. The first chance of the game arrived on 22 minutes following some good work from Brandon Randall, and after turning 2 players he released the ball into Josh Rose who fed the ball out wide to Edgar Zanin. Randall had pushed on and got his head onto a very good delivery to only head slightly over. Bridport were now pinned in as Nick Swann, Rose & Randall dictated play for large parts of the half, but Hamworthy's final ball was not good

enough as they failed to take any advantage of some good football. On 33 minutes Bridport broke away with Sam Handyside down the left wing, he ran through on goal, but his shot only found the side netting. The best chance of the half then followed as Hamworthy played some very good football from back to front with venturing centre back Liam Meldrum finding himself in on the keeper wide right of the 6-yard box. However, his effort only hit the post when well placed, HT 0-0. The second half began with Hamworthy showing a lot more forward intent and they started moving the ball much quicker. With both wingers staying out wider, Bridports defence were now being stretched and the chances came. First Jordan Basing cut inside on his right foot but was denied by the bar, this was followed by the first goal of the game in the 55th minute. Following some good build up play, the ball found its way out wide to Zanin. He played a quick 1-2 with Swann who quickly picked out Rose on the penalty spot who shot first time, this was brilliantly saved but Rose made no mistake with the follow up. Bridport had to look for an equaliser now, so the gaps appeared. 7 minutes later it was 2-0 as Zanin & Nick Patrick linked up, Patrick whipped a cross onto Sam Carters head who didn't miss from 4 yards out. To make certain of the result, the hosts introduced their new signing from Holt United Shane Jackson into their defence. In the 76th minute Lindsay fed Carter wide left, he took on 4 players to eventually slam his shot into the top corner from 25 yards, a superb finish. The game was a good one for the neutrals with both sides p-laying entertaining football, this result sees the Hammers move up into 4th place in the table.

ALL other scheduled Matches POSTPONED due to Waterlogged pitches.
